The Anti-Defamation League's Mountain States Regional Office is pleased to offer you the **NEW 2014 Calendar** edition of **Positive Impact!** Tools for Respecting Differences. Order your copy today! (Calendars available December 2013.)

ADL's calendar provides ideas and resources, with sections in English and Spanish, to help create an inclusive environment in your home, work, school, community and/or place of worship. Look for new sections offering a wealth of information on topical subjects sure to generate discussions. Plus, the **2014 Calendar of Observances** includes brief explanations of each cultural observance and a Resolution of Respect.

School communities **learn how to become a No Place For Hate® School** by empowering students and staff to promote respect for individual and group differences while challenging prejudice and bigotry.
